

November 6, 2013 – Thunderstruck Resources Ltd. (“Thunderstruck” or the “Company”) announces that, further to its news release of October 21, 2013 in which it announced the acquisition of Arcadia Mining Ltd. as its proposed qualifying transaction, Thunderstruck will be undertaking a concurrent private placement to raise up to \$1,000,000.

Thunderstruck will conduct a part-and-parcel private placement, which may be brokered in whole or in part, through the distribution of up to 6,666,666 units at \$0.15 per unit. Each unit will consist of one common share and one-half of one common share purchase warrant. Each whole warrant will entitle the holder to acquire one additional share at \$0.25 for 18 months, subject to an acceleration provision whereby if at any time after four months from closing of the private placement, the closing price of the Company’s shares on the TSX Venture Exchange exceeds \$0.40 (on a volume weighted basis) for 20 consecutive trading days, the Company may accelerate the exercise period of the Warrants to a date that is not less than 30 days from the date the Company provides such notice.

The private placement may be effected through the sale of subscription receipts which will convert to units on closing of the qualifying transaction. Finder’s fees will be paid, in compliance with TSXV policies, to arm’s length entities who introduce subscribers to the financing.

Arcadia holds interest in four zinc, copper, gold property interests on the island of Viti Levu, Fiji.
