

July 24, 2017 – Vancouver, British Columbia – **Thunderstruck Resources Ltd.**

("Thunderstruck"; TSX-V: AWE) has arranged a non-brokered private placement to raise up to \$750,000 through the sale of up to 9,375,000 units at a price of \$0.08 per unit (the "Financing"). Each unit will comprise one common share and one share purchase warrant. Each whole warrant will entitle the holder to purchase a further common share at a price of \$0.15 per share for a period of 36 months from closing. The warrants will be subject to accelerated exercise provisions such that if the closing price of Thunderstruck's common shares exceeds \$0.25 per share for a period of 20 consecutive trading days, Thunderstruck may give notice of the acceleration of the warrants' term to a period of 30 days following such notice.

The net proceeds of the Financing will be used for the Company's Q3/Q4 exploration program on it's Fijian zinc, copper and gold assets (see PR July 11, 2017).

About Thunderstruck Resources

Thunderstruck Resources is a Canadian mining exploration company with highly prospective VMS and precious metals projects in Fiji. The Company provides investors with exposure to a diverse portfolio of assets rich in copper, zinc, silver and gold in a politically safe and stable jurisdiction. Thunderstruck trades on the Toronto Venture Exchange (TSX-V) under the symbol "AWE".

Cautionary Note Regarding Forward Looking Information: This news release includes certain information that may be deemed "forward-looking information". Forward-looking information can generally be identified by the use of forward-looking terminology such as "may", "will", "expect", "intend", "estimate", "anticipate", "believe", "continue", "plans" or similar terminology, or negative connotations thereof. All information in this release, other than information of historical facts, including, without limitation, with respect to the future exploration and development of the Company's projects, the undertaking of future activities and/or acquisitions related to the Company's projects, the active advancement of the Company's mineral projects, and general future plans and objectives for the Company a, are forward-looking information that involve various risks and uncertainties. Although the Company believes that the expectations expressed in such forward-looking information are based on reasonable assumptions, such expectations are not guarantees of future performance and actual results or developments may differ materially from those in the forward-looking information. Forward-looking information is

based on a number of material factors and assumptions. Factors that could cause actual results to differ materially from the forward-looking information include changes in project parameters as plans continue to be refined, future metal prices, availability of capital and financing on acceptable terms, general economic, market or business conditions, uninsured risks, regulatory changes, defects in title, availability of personnel, materials and equipment on a timely basis, accidents or equipment breakdowns, delays in receiving government approvals, the Company's ability to maintain the support of stakeholders necessary to develop its mineral projects, unanticipated environmental impacts on operations and costs to remedy same, and other risks detailed herein and from time to time in the filings made by the Company with securities regulatory authorities in Canada. Mineral exploration and development of mines is an inherently risky business. Accordingly, actual events may differ materially from those projected in the forward-looking information. For more information on the Company and the key assumptions, risks and challenges with respect to the forward looking information discussed herein, and about our business in general, investors should review our most recently filed continuous disclosure filings which are available at www.sedar.com. Readers are cautioned not to place undue reliance on forward-looking information. The Company does not undertake to update any forward looking information, except in accordance with applicable securities laws.
